

Top 10 Reasons Why You Should Purchase a RepairMaster Extended Service Plan with your HDTV

Protect your high definition television purchase with an Extended Service Plan. Aside from peace of mind, an Extended Service Plan offers several significant advantages.

1. **Provides Complete Coverage Up to 5 Years** - Most manufacturer-limited warranties leave you with no protection against the rising cost of repairs after the first year of ownership. Our Extended Service Plans offer the opportunity to obtain coverage for four additional years after the conclusion of the manufacturer's warranty.
2. **Fully Insured for Parts and Labor** – Our plans are fully insured by an insurance company rated "Excellent" by A.M. Best. You will never have to pay for parts and labor of any covered repair during the term of the plan.
3. **Toll Free 800 Number** - You can call the toll free number 7 days a week, 24 hours a day with questions regarding your service plan or if your product needs repair.
4. **Nationwide Service Network** – You are supported by a nationwide network of authorized servers.
5. **Repair or Replace Promise** – In the event that your product cannot be repaired, it will be replaced.
6. **No Deductibles or Hidden Charters** – The warranty covers 100% of all the cost of parts and labor charges.
7. **Remote Control Coverage** – Should the remote control included with the product ever malfunction, it will be repaired or replaced.
8. **Transferable** – In the event that the covered product is sold or transferred at anytime during the term of the Service Plan, then the coverage may be transferred to the new owner.
9. **Worldwide Service Option** – If you take the product overseas, it will be covered for all parts and labor under expiration of the manufacturer's original warranty. There is an optional model available to provide you with worldwide service during the original manufacturer's warranty. Ask TheHighDefinitionStore.com for details.
10. **Renewable** – At the end of the prescribed term, you have the option to renew the service plan for as long as you own the product.
